INTERNATIONAL
JOURNAL OF
PSYCHOPHYSIOLOGY

Author Index (Vol. 19)

Andreassi, J.L.
Human EEG, behavioral stillness and biofeedback (19) 181

Becker, J., see Marosi, E. (19) 23
Bernal, J., see Marosi, E. (19) 23
Birbaumer, N., see Mini, A. (19) 67
Brandt, J., see Bylsma, F.W. (19) 33
Brauchli, P., Michel, C.M. and Zeier, H.
Electrocortical, autonomic, and subjective responses to rhythmic audio-visual stimulation (19) 53
Brownley, K.A., McMurray, R.G. and Hackney, A.C.
Effects of music on physiological and affective responses to graded treadmill exercise in trained and untrained runners (19) 193
Burnod, Y., see Guigon, E. (19) 103
Bylsma, F.W., Rasmusson, D.X., Rebok, G.W., Keyl, P.M., Tune, L. and Brandt, J.
Changes in visual fixation and saccadic eye movements in Alzheimer's disease (19) 33

Carretié, L. and Iglesias, J.
An ERP study on the specificity of facial expression processing (19) 183
Chiarenza, G.A., Villa, M. and Vasile, G.
Developmental aspects of bereitschaftspotential in children during goal-directed behaviour (19) 149
Cohen, H.D., see Cook, M.R. (19) 247
Connolly, K.J., see De J. Manoel, E. (19) 129
Cook, M.R., Gerkovich, M.M., Hoffman, S.J., McClernon, F.J., Cohen, H.D., Oakleaf, K.L. and O'Connell, K.A.
Smoking and EEG power spectra: effects of differences in arousal seeking (19) 247

Davis, H., see Musante, L. (19) 281
De J. Manoel, E. and Connolly, K.J.
Variability and the development of skilled actions (19) 129
Dimsdale, J.E., see Mills, P.J. (19) 287
Doan, B.Q., see Galbraith, G.C. (19) 203

Ellwanger, J., see Rosenfeld, J.P. (19) 1

Felsten, G.
Cynical hostility influences anger, but not cardiovascular reactivity during competition with harassment (19) 223
Fernández, T., see Marosi, E. (19) 23
Foa, E.B., see McCarthy, P.R. (19) 215
France, C.
Baroreflex sensitivity during noxious stimulation in vasovagal reactors to blood donation (19) 13

Galbraith, G.C. and Doan, B.Q.
Brainstem frequency-following and behavioral responses during selective attention to pure tone and missing fundamental stimuli (19) 203
Gerkovich, M.M., see Cook, M.R. (19) 247
Grass, P., see Lehmann, D. (19) 41
Guerrero, V., see Marosi, E. (19) 23
Guigon, E. and Burnod, Y.
Modelling the acquisition of goal-directed behaviors by populations of neurons (19) 103

Hackney, A.C., see Brownley, K.A. (19) 193
Haeri, S.L., see Mills, P.J. (19) 287
Harmony, T., see Marosi, E. (19) 23
Hoffman, S.J., see Cook, M.R. (19) 247

Iglesias, J., see Carretié, L. (19) 183
Itagaki, F., Niwa, S.-I., Itoh, K. and Momose, T.
Random number generation and the frontal cortex (19) 79
Itoh, K., see Itagaki, F. (19) 79

Judaš, M., see Kostović, I. (19) 85

Keyl, P.M., see Bylsma, F.W. (19) 33
Kostović, I., Judaš, M., Petanjek, Z. and Šimić, G.
Ontogenesis of goal-directed behavior: anatomo-functional considerations (19) 85

Lehmann, D., Grass, P. and Meier, B.
Spontaneous conscious covert cognition states and brain electric spectral states in canonical correlations (19) 41
Levy, M., see Musante, L. (19) 281

Marosi, E., Harmony, T., Becker, J., Reyes, A., Bernal, J., Fernández, T., Rodríguez, M., Silva, J. and Guerrero, V.
Electroencephalographic coherences discriminate between children with different pedagogical evaluation (19) 23
Massioui, F.E., see Nandrino, J.-L. (19) 257
McCarthy, P.R., Ray, W.J. and Foa, E.B.
Cognitive influences on electrocortical and heart rate activity in obsessive-compulsive disorder (19) 215
McClernon, F.J., see Cook, M.R. (19) 247
McMurray, R.G., see Brownley, K.A. (19) 193
Meier, B., see Lehmann, D. (19) 41
Michel, C.M., see Brauchli, P. (19) 53
Mills, P.J., Haeri, S.L. and Dimsdale, J.E.
Temporal stability of acute stressor-induced changes in cellular immunity (19) 287
Mini, A., Rau, H., Montoya, P., Palomba, D. and Birbaumer, N.
Baroreceptor cortical effects, emotions and pain (19) 67
Momose, T., see Itagaki, F. (19) 79
Montoya, P., see Mini, A. (19) 67
Mulholland, T.
Human EEG, behavioral stillness and biofeedback (19) 263
Musante, L., Treiber, F.A., Davis, H., Levy, M. and Strong, W.B.
Temporal stability of children's cardiovascular (CV) reactivity: role of ethnicity, gender and family history of myocardial infarction (19) 281

Nandrino, J.-L. and Massioui, F.E.
Temporal localization of the response selection processing stage (19) 257
Niwa, S.-I., see Itagaki, F. (19) 79

Oakleaf, K.L., see Cook, M.R. (19) 247
O'Connell, K.A., see Cook, M.R. (19) 247

Palomba, D., see Mini, A. (19) 67
Petanjek, Z., see Kostović, I. (19) 85
Pratarelli, M.E.
Modulation of semantic processing using word length and complexity: an ERP study (19) 233

Rasmusson, D.X., see Bylsma, F.W. (19) 33
Rau, H., see Mini, A. (19) 67
Ray, W.J., see McCarthy, P.R. (19) 215
Rebok, G.W., see Bylsma, F.W. (19) 33
Reyes, A., see Marosi, E. (19) 23
Rodríguez, M., see Marosi, E. (19) 23
Rosenfeld, J.P., Ellwanger, J. and Sweet, J.
Detecting simulated amnesia with event-related brain potentials (19) 1

Silva, J., see Marosi, E. (19) 23
Šimić, G., see Kostović, I. (19) 85
Strong, W.B., see Musante, L. (19) 281
Sweet, J., see Rosenfeld, J.P. (19) 1

Touwen, B.C.L.
The neurological development of prehension: a developmental neurologist's view (19) 115
Treiber, F.A., see Musante, L. (19) 281
Tune, L., see Bylsma, F.W. (19) 33

Vasile, G., see Chiarenza, G.A. (19) 149
Villa, M., see Chiarenza, G.A. (19) 149

Zeier, H., see Brauchli, P. (19) 53

International Journal of Psychophysiology 19 (1995) 295–299

INTERNATIONAL
JOURNAL OF
PSYCHOPHYSIOLOGY

Key Word Index (Vol. 19)

Adaptation
Skilled actions; Motor development; Variability; Goal directed behavior (De J. Manoel, E. (19) 129)

Affect (feeling)
Plasma cortisol; Respiratory frequency; Rating of perceived exertion (RPE); Music (Brownley, K.A. (19) 193)

Aging
Fixation; Saccades; Alzheimer's disease; EOG; Longitudinal changes (Bylsma, F.W. (19) 33)

Altered states of consciousness
Rhythmic audio-visual stimulation; Sensory deprivation; Intracerebral dipole source; Global Field Power; Heart rate; Mood rating (Brauchli, P. (19) 53)

Alzheimer's disease
Fixation; Saccades; Aging; EOG; Longitudinal changes (Bylsma, F.W. (19) 33)

Anger
Cynical hostility; Cardiovascular; Reactivity; Harassment (Felsten, G. (19) 223)

Arousal
Event-related potential; Facial expression; Configurational complexity; Relevance; Laterality (Carretié, L. (19) 183)

Nicotine; Smoking; Reversal theory; Telic; Paratelic; FFT; Serious-mindedness; Playfulness (Cook, M.R. (19) 247)

Attention
Frequency-following response (FFR); Brainstem; Auditory; Missing fundamental stimuli; Reaction time; Discrimination sensitivity; Human (Galbraith, G.C. (19) 203)

Auditory
Frequency-following response (FFR); Brainstem; Attention; Missing fundamental stimuli; Reaction time; Discrimination sensitivity; Human (Galbraith, G.C. (19) 203)

Auditory word processing
Semantic processing; ERP; N400 (Pratarelli, M.E. (19) 233)

Baroreceptors
PRES; Emotions; Pain; Evoked potentials; Blood pressure (Mini, A. (19) 67)

Baroreflex sensitivity
Stress; Pain; Syncope (France, C. (19) 13)

Behavioral medicine
Behavioral stillness; EEG biofeedback (Mulholland, T. (19) 263)

Behavioral stillness
EEG biofeedback; Behavioral medicine (Mulholland, T. (19) 263)

Bereitschaftspotential
Goal-directed behaviour; Skilled performance task; Maturation (Chiarenza, G.A. (19) 149)

Blood pressure
Baroreceptors; PRES; Emotions; Pain; Evoked potentials (Mini, A. (19) 67)

Brain mechanism
Prehension; Development; Variability; Infancy; Toddler (Touwen, B.C.L. (19) 115)

Brainstem
Frequency-following response (FFR); Auditory; Attention; Missing fundamental stimuli; Reaction time; Discrimination sensitivity; Human (Galbraith, G.C. (19) 203)

Canonical correlation
Conscious experiences; EEG power spectra; Hypnagogic hallucinations; Spontaneous cognition and emotion; Relaxation-drowsiness-sleep onset (Lehmann, D. (19) 41)

Cardiovascular
Cynical hostility; Reactivity; Anger; Harassment (Felsten, G. (19) 223)

Cardiovascular disease
Temporal stability; Cardiovascular reactivity; Ethnicity (Musante, L. (19) 281)

Cardiovascular reactivity
Temporal stability; Ethnicity; Cardiovascular disease (Musante, L. (19) 281)

Cognitive factors
EEG; Obsessive-compulsive disorder (McCarthy, P.R. (19) 215)

Computer simulation
Neuronal populations; Goal-directed behavior; Learning; Connectionist modelling (Guigon, E. (19) 103)

Configurational complexity
Event-related potential; Facial expression; Relevance; Arousal; Laterality (Carretié, L. (19) 183)

Connectionist modelling
Neuronal populations; Goal-directed behavior; Learning; Computer simulation (Guigon, E. (19) 103)

Conscious experiences
EEG power spectra; Hypnagogic hallucinations; Canonical correlation; Spontaneous cognition and emotion; Relaxation-drowsiness-sleep onset (Lehmann, D. (19) 41)

Cynical hostility
Cardiovascular; Reactivity; Anger; Harassment (Felsten, G. (19) 223)

Development
Goal-directed behavior; Neurobiological basis (Kostović, I. (19) 85)

Prehension; Variability; Brain mechanism; Infancy; Toddler (Touwen, B.C.L. (19) 115)

Discriminant analysis
EEG coherences; Pedagogical evaluation; Reading-writing disability; EEG frequency analysis (Marosi, E. (19) 23)

Discrimination sensitivity
Frequency-following response (FFR); Brainstem; Auditory; Attention; Missing fundamental stimuli; Reaction time; Human (Galbraith, G.C. (19) 203)

EEG
Cognitive factors; Obsessive-compulsive disorder (McCarthy, P.R. (19) 215)

EEG biofeedback
Behavioral stillness; Behavioral medicine (Mulholland, T. (19) 263)

EEG coherences
Pedagogical evaluation; Reading-writing disability; EEG frequency analysis; Discriminant analysis (Marosi, E. (19) 23)

EEG frequency analysis
EEG coherences; Pedagogical evaluation; Reading-writing disability; Discriminant analysis (Marosi, E. (19) 23)

EEG power spectra
Conscious experiences; Hypnagogic hallucinations; Canonical correlation; Spontaneous cognition and emotion; Relaxation-drowsiness-sleep onset (Lehmann, D. (19) 41)

Emotions
Baroreceptors; PRES; Pain; Evoked potentials; Blood pressure (Mini, A. (19) 67)

EOG
Fixation; Saccades; Alzheimer's disease; Aging; Longitudinal changes (Bylsma, F.W. (19) 33)

ERP
Semantic processing; N400; Auditory word processing (Pratarelli, M.E. (19) 233)

ERPs
Mental chronometry; Information processing; N200; P300; Stimulus-response compatibility (Nandrino, J.-L. (19) 257)

Ethnicity
Temporal stability; Cardiovascular reactivity; Cardiovascular disease (Musante, L. (19) 281)

Event-related potential
Facial expression; Configurational complexity; Relevance; Arousal; Laterality (Carretié, L. (19) 183)

Event-related potentials
P300; Head injury; Malingered amnesia (Rosenfeld, J.P. (19) 1)

Evoked potentials
Baroreceptors; PRES; Emotions; Pain; Blood pressure (Mini, A. (19) 67)

Facial expression
Event-related potential; Configurational complexity; Relevance; Arousal; Laterality (Carretié, L. (19) 183)

FFT
Nicotine; Smoking; Reversal theory; Arousal; Telic; Paratelic; Serious-mindedness; Playfulness (Cook, M.R. (19) 247)

Fixation
Saccades; Alzheimer's disease; Aging; EOG; Longitudinal changes (Bylsma, F.W. (19) 33)

Frequency-following response (FFR)
Brainstem; Auditory; Attention; Missing fundamental stimuli; Reaction time; Discrimination sensitivity; Human (Galbraith, G.C. (19) 203)

Global Field Power
Rhythmic audio-visual stimulation; Sensory deprivation; Intracerebral dipole source; Heart rate; Mood rating; Altered states of consciousness (Brauchli, P. (19) 53)

Goal-directed behavior
Development; Neurobiological basis (Kostović, I. (19) 85)

Neuronal populations; Learning; Connectionist modelling; Computer simulation (Guigon, E. (19) 103)

Goal directed behavior
Skilled actions; Motor development; Adaptation; Variability (De J. Manoel, E. (19) 129)

Goal-directed behaviour
Bereitschaftspotential; Skilled performance task; Maturation (Chiarenza, G.A. (19) 149)

Harassment
Cynical hostility; Cardiovascular; Reactivity; Anger (Felsten, G. (19) 223)

Head injury
Event-related potentials; P300; Malingered amnesia (Rosenfeld, J.P. (19) 1)

Heart rate
Rhythmic audio-visual stimulation; Sensory deprivation; Intracerebral dipole source; Global Field Power; Mood rating; Altered states of consciousness (Brauchli, P. (19) 53)

Human
Frequency-following response (FFR); Brainstem; Auditory; Attention; Missing fundamental stimuli; Reaction time; Discrimination sensitivity (Galbraith, G.C. (19) 203)

Hypnagogic hallucinations
Conscious experiences; EEG power spectra; Canonical correlation; Spontaneous cognition and emotion; Relaxation-drowsiness-sleep onset (Lehmann, D. (19) 41)

Immune system
Stress; Temporal stability (Mills, P.J. (19) 287)

Infancy
Prehension; Development; Variability; Brain mechanism; Toddler (Touwen, B.C.L. (19) 115)

Information processing
Mental chronometry; ERPs; N200; P300; Stimulus-response compatibility (Nandrino, J.-L. (19) 257)

Intracerebral dipole source
Rhythmic audio-visual stimulation; Sensory deprivation; Global Field Power; Heart rate; Mood rating; Altered states of consciousness (Brauchli, P. (19) 53)

Laterality
Event-related potential; Facial expression; Configurational complexity; Relevance; Arousal (Carretié, L. (19) 183)

Learning
Neuronal populations; Goal-directed behavior; Connectionist modelling; Computer simulation (Guigon, E. (19) 103)

Longitudinal changes
Fixation; Saccades; Alzheimer's disease; Aging; EOG (Bylsma, F.W. (19) 33)

Malingered amnesia
Event-related potentials; P300; Head injury (Rosenfeld, J.P. (19) 1)

Maturation
Bereitschaftspotential; Goal-directed behaviour; Skilled performance task (Chiarenza, G.A. (19) 149)

Mental chronometry
Information processing; ERPs; N200; P300; Stimulus-response compatibility (Nandrino, J.-L. (19) 257)

Missing fundamental stimuli
Frequency-following response (FFR); Brainstem; Auditory; Attention; Reaction time; Discrimination sensitivity; Human (Galbraith, G.C. (19) 203)

Mood rating
Rhythmic audio-visual stimulation; Sensory deprivation; Intracerebral dipole source; Global Field Power; Heart rate; Altered states of consciousness (Brauchli, P. (19) 53)

Motor development
Skilled actions; Adaptation; Variability; Goal directed behavior (De J. Manoel, E. (19) 129)

Music
Plasma cortisol; Respiratory frequency; Affect (feeling); Rating of perceived exertion (RPE) (Brownley, K.A. (19) 193)

N400
Semantic processing; ERP; Auditory word processing (Pratarelli, M.E. (19) 233)

N200
Mental chronometry; Information processing; ERPs; P300; Stimulus-response compatibility (Nandrino, J.-L. (19) 257)

Neurobiological basis
Goal-directed behavior; Development (Kostović, I. (19) 85)

Neuronal populations
Goal-directed behavior; Learning; Connectionist modelling; Computer simulation (Guigon, E. (19) 103)

Nicotine
Smoking; Reversal theory; Arousal; Telic; Paratelic; FFT; Serious-mindedness; Playfulness (Cook, M.R. (19) 247)

Obsessive-compulsive disorder
EEG; Cognitive factors (McCarthy, P.R. (19) 215)

P300
Event-related potentials; Head injury; Malingered amnesia (Rosenfeld, J.P. (19) 1)

Mental chronometry; Information processing; ERPs; N200; Stimulus-response compatibility (Nandrino, J.-L. (19) 257)

Pain
Stress; Baroreflex sensitivity; Syncope (France, C. (19) 13)

Baroreceptors; PRES; Emotions; Evoked potentials; Blood pressure (Mini, A. (19) 67)

Paratelic
Nicotine; Smoking; Reversal theory; Arousal; Telic; FFT; Serious-mindedness; Playfulness (Cook, M.R. (19) 247)

Pedagogical evaluation
EEG coherences; Reading-writing disability; EEG frequency analysis; Discriminant analysis (Marosi, E. (19) 23)

Plasma cortisol
Respiratory frequency; Affect (feeling); Rating of perceived exertion (RPE); Music (Brownley, K.A. (19) 193)

Playfulness
Nicotine; Smoking; Reversal theory; Arousal; Telic; Paratelic; FFT; Serious-mindedness (Cook, M.R. (19) 247)

Prehension
Development; Variability; Brain mechanism; Infancy; Toddler (Touwen, B.C.L. (19) 115)

PRES
Baroreceptors; Emotions; Pain; Evoked potentials; Blood pressure (Mini, A. (19) 67)

Rating of perceived exertion (RPE)
Plasma cortisol; Respiratory frequency; Affect (feeling); Music (Brownley, K.A. (19) 193)

Reaction time
Frequency-following response (FFR); Brainstem; Auditory; Attention; Missing fundamental stimuli; Discrimination sensitivity; Human (Galbraith, G.C. (19) 203)

Reactivity
Cynical hostility; Cardiovascular; Anger; Harassment (Felsten, G. (19) 223)

Reading-writing disability
EEG coherences; Pedagogical evaluation; EEG frequency analysis; Discriminant analysis (Marosi, E. (19) 23)

Relaxation-drowsiness-sleep onset
Conscious experiences; EEG power spectra; Hypnagogic hallucinations; Canonical correlation; Spontaneous cognition and emotion (Lehmann, D. (19) 41)

Relevance
Event-related potential; Facial expression; Configurational complexity; Arousal; Laterality (Carretié, L. (19) 183)

Respiratory frequency
Plasma cortisol; Affect (feeling); Rating of perceived exertion (RPE); Music (Brownley, K.A. (19) 193)

Reversal theory
Nicotine; Smoking; Arousal; Telic; Paratelic; FFT; Serious-mindedness; Playfulness (Cook, M.R. (19) 247)

Rhythmic audio-visual stimulation
Sensory deprivation; Intracerebral dipole source; Global Field Power; Heart rate; Mood rating; Altered states of consciousness (Brauchli, P. (19) 53)

Saccades
Fixation; Alzheimer's disease; Aging; EOG; Longitudinal changes (Bylsma, F.W. (19) 33)

Semantic processing
ERP; N400; Auditory word processing (Pratarelli, M.E. (19) 233)

Sensory deprivation
Rhythmic audio-visual stimulation; Intracerebral dipole source; Global Field Power; Heart rate; Mood rating; Altered states of consciousness (Brauchli, P. (19) 53)

Serious-mindedness
Nicotine; Smoking; Reversal theory; Arousal; Telic; Paratelic; FFT; Playfulness (Cook, M.R. (19) 247)

Skilled actions
Motor development; Adaptation; Variability; Goal directed behavior (De J. Manoel, E. (19) 129)

Skilled performance task
Bereitschaftspotential; Goal-directed behaviour; Maturation (Chiarenza, G.A. (19) 149)

Smoking
Nicotine; Reversal theory; Arousal; Telic; Paratelic; FFT; Serious-mindedness; Playfulness (Cook, M.R. (19) 247)

Spontaneous cognition and emotion
Conscious experiences; EEG power spectra; Hypnagogic hallucinations; Canonical correlation; Relaxation-drowsiness-sleep onset (Lehmann, D. (19) 41)

Stimulus-response compatibility
Mental chronometry; Information processing; ERPs; N200; P300 (Nandrino, J.-L. (19) 257)

Stress
Baroreflex sensitivity; Pain; Syncope (France, C. (19) 13)

Immune system; Temporal stability (Mills, P.J. (19) 287)

Syncope
Stress; Baroreflex sensitivity; Pain (France, C. (19) 13)

Telic
Nicotine; Smoking; Reversal theory; Arousal; Paratelic; FFT; Serious-mindedness; Playfulness (Cook, M.R. (19) 247)

Temporal stability
Cardiovascular reactivity; Ethnicity; Cardiovascular disease (Musante, L. (19) 281)

Immune system; Stress (Mills, P.J. (19) 287)

Toddler
Prehension; Development; Variability; Brain mechanism; Infancy (Touwen, B.C.L. (19) 115)

Variability
Prehension; Development; Brain mechanism; Infancy; Toddler (Touwen, B.C.L. (19) 115)

Skilled actions; Motor development; Adaptation; Goal directed behavior (De J. Manoel, E. (19) 129)
